

# Paycheck Protection Program Forgiveness Services

**Crosslin can help you meet the complex requirements and deadlines. Our services include:**

- Consultation and guidance for loan tracking, use of loan funds, and eligible vs. ineligible expenses
- Funds flow analysis – which will create a chart of an 8-week budget for loan proceeds
- Calculation of forgivable expenses
- Ineligible payments identified and analyzed
- Documentation preparation for submission with forgiveness application
- Communication of final loan forgiveness calculations

**Contact Crosslin to help with your PPP loan forgiveness.
